

- 5. Have New York bank accounts that can be attached.
- J. Address military failures and/or crimes to the extent possible, including actions of or effects on civilian military employees.
- K. Coordinate with the attorneys general of other states with interests in 9/11, as occurred in the "tobacco settlements" and other cases where multiple states had jurisdiction and sustained damages. (Appendix 8)
- L. Use whatever legal recourse is available to recover on behalf of the people of New York from perpetrators, conspirators and other liable individuals and corporations damages to the city and state of New York and disgorge, levy the maximum penalties available at law for illegal profits, contractual payments for incomplete, incompetent, faulty or otherwise wrongfully compensated work under breached contracts and other illegal activities contributing to, exacerbating or covering up the crimes committed on or in connection with "9/11" and related activities thereafter.
- M. Protect "whistleblowers" and other sources of information with respect to this investigation from retaliatory action by perpetrators and those attempting to cover up the truth.
